SHARING THE CARE

PLAY A POSITIVE ROLE IN THE SUPPORT/DEVELOPMENT OF YOUR YOUNG PERSON LIFE'S

Be part of our Core Parent Group

We would like parent to play an active role in the development of their young people. We would love you to attend our parent forum every 2 months to:

- Take part in training opportunities
- Meet and engage with other parents
- Listening to guest speakers
- Help plan events
- Learn how to be a parent champion in the community
- Being a voice for your children and young people

Without parent support the young people development is affected in all areas which is why we need parents to support their young people in every way that they can!!!

Join our Management Committee

- We are constantly developing our range of services and seeking ways to improve the building blocks of our organisation which so many families rely on.
- We are looking for new trustees to fully engage and contribute to the exceptional governance of our organisation. We are managed by a committee which consists of parents/carers and other interested professionals and so you will need to demonstrate your professional expertise through your experience in accountancy, solicitorship, pensions or other areas practice.
- However if non of these apply **YOU CAN STILL BE A VOICE!!!**
